Automatic Stripping Pliers

MM

- For stripping flexible supply and extension cables, control and sensor/ actuator cables
- Automatic adjustment to cables from Ø 4.4 mm to Ø 7.5 mm, no damage to the conductors or the shielding braid
- Quick blade change when worn thanks to maintenance-friendly blade unit
- Suitable for cable sheaths made of highly flexible TPE-U, PUR, PVC and rubber, oil-resistant and halogen-free control and sensor/actuator cables, etc.
- Cable can be pushed through, therefore also suitable for longer stripping distances
- Low-effort work and maximum transmission of force thanks to ergonomic two-component handle with soft grip zone
- Effort-saving thanks to smooth-running mechanism

General

Article No.	12 74 180
EAN	4003773092667
Weight	145 g
Dimensions	175 x 98 x 30 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

Technical details

Stripping capacities (diameter)	Ø 4.4 — 7.5 mm
---------------------------------	----------------

technical change and errors excepted
